## Grenada

Grenada is a small island country in the West Indies in the Caribbean Sea at the southern end of the Grenadines island chain. Grenada consists of the island of Grenada itself, two smaller islands, Carriacou and Petite Martinique, and several small islands which lie to the north of the main island and are a part of the Grenadines.

It is located northwest of Trinidad and Tobago, northeast of Venezuela and southwest of Saint Vincent and the Grenadines. Grenada's Citizenship by Investment Program was established in August 2013, following the approval of Act No. 15 of 2013 by the Grenadian Parliament, commonly known as the 'Grenada Citizenship by Investment Act, 2013.' The Grenada Citizenship by Investment program provides investors and their family members with a second passport that allows visa-free travel to 148 countries.
